

ADVENT

Rosie Philomena

Hope

In preparing for Jesus' coming
We take time from the stresses of life
To think of this wonderful season
Amidst all of the chaos and strife

Rosie

Peace

In this season of Advent we're humbled

Just to think of our dear Saviour's birth

In a stable so basic and humble

Blessed peace He would bring to the earth

Rosie Philomena

Joy

Hope and love are the gifts He brought with Him

Such great joy , peace and light He would bring

As the world was in need of these blessings

It's no wonder the angels did sing!

Rosie Philomena

LOVE

Now the fourth week in this Advent season
Symbolised by the candle of love
Will prepare us for Jesus' coming
Precious Saviour, sent from up above

Rosie
Philomena

So amidst all the toing and froing

Online shopping or standing in queues

Just remember the reason for Christmas

Christ is born, go and share the good news
