Galatians 5:22-23 (NIV)

**But the fruit of the Spirit is love,
joy, peace, patience,
kindness, goodness, faithfulness,
gentleness and self-control.**

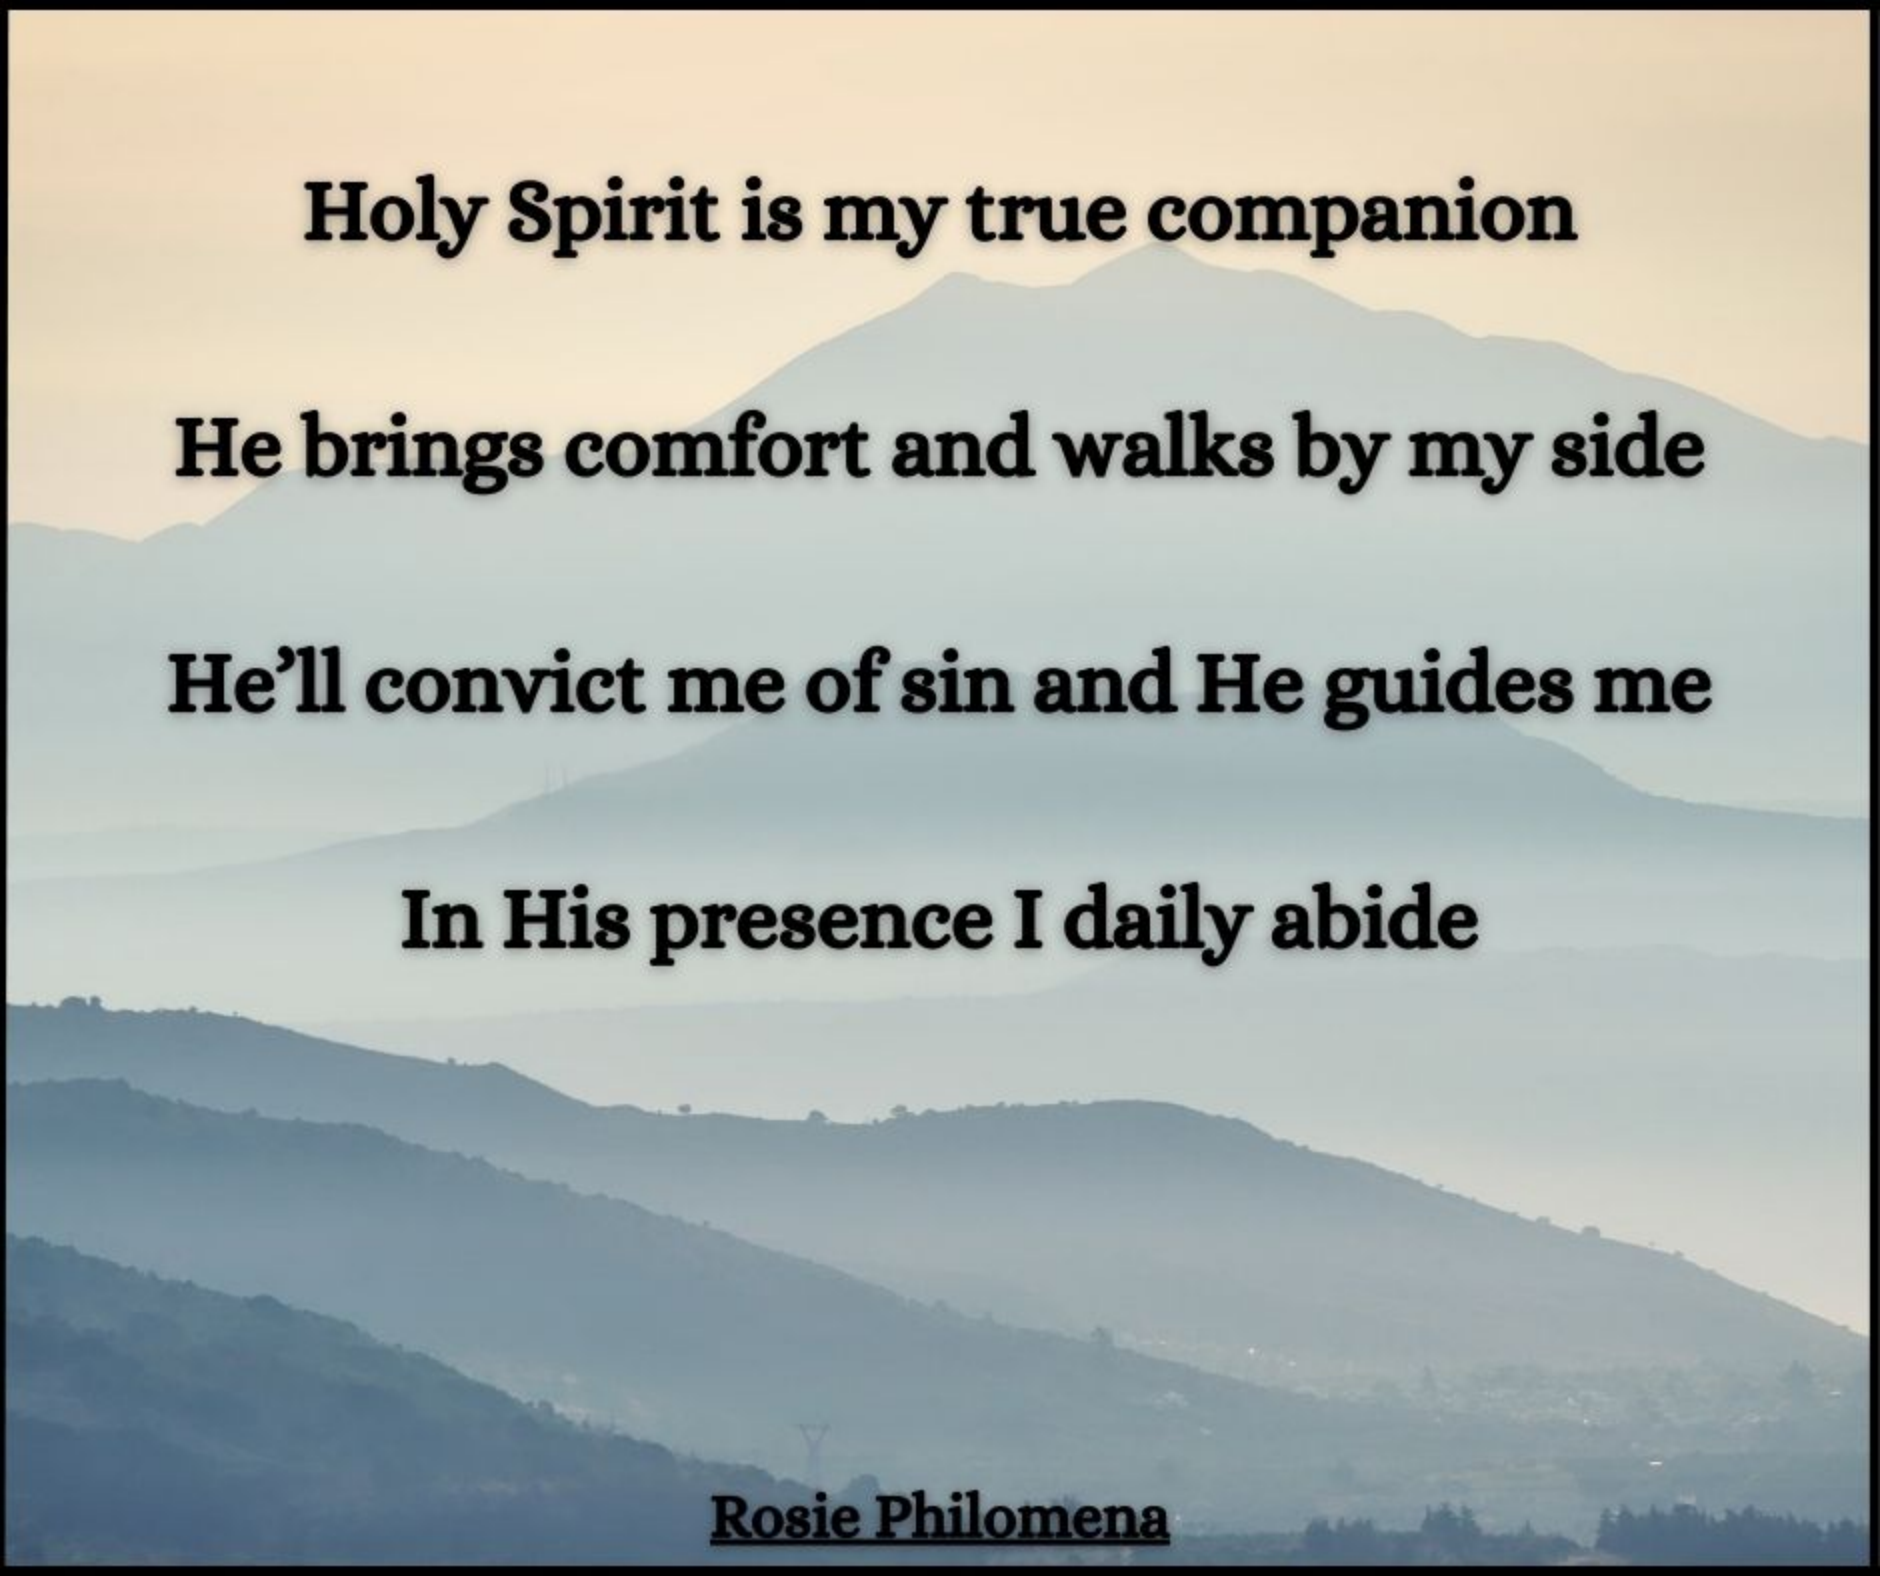

He's my Advocate, Counsellor and Helper

Sent by God and He dwells within me

Before earth came to be He was present

He was there brooding over the sea

Rosie Philomena

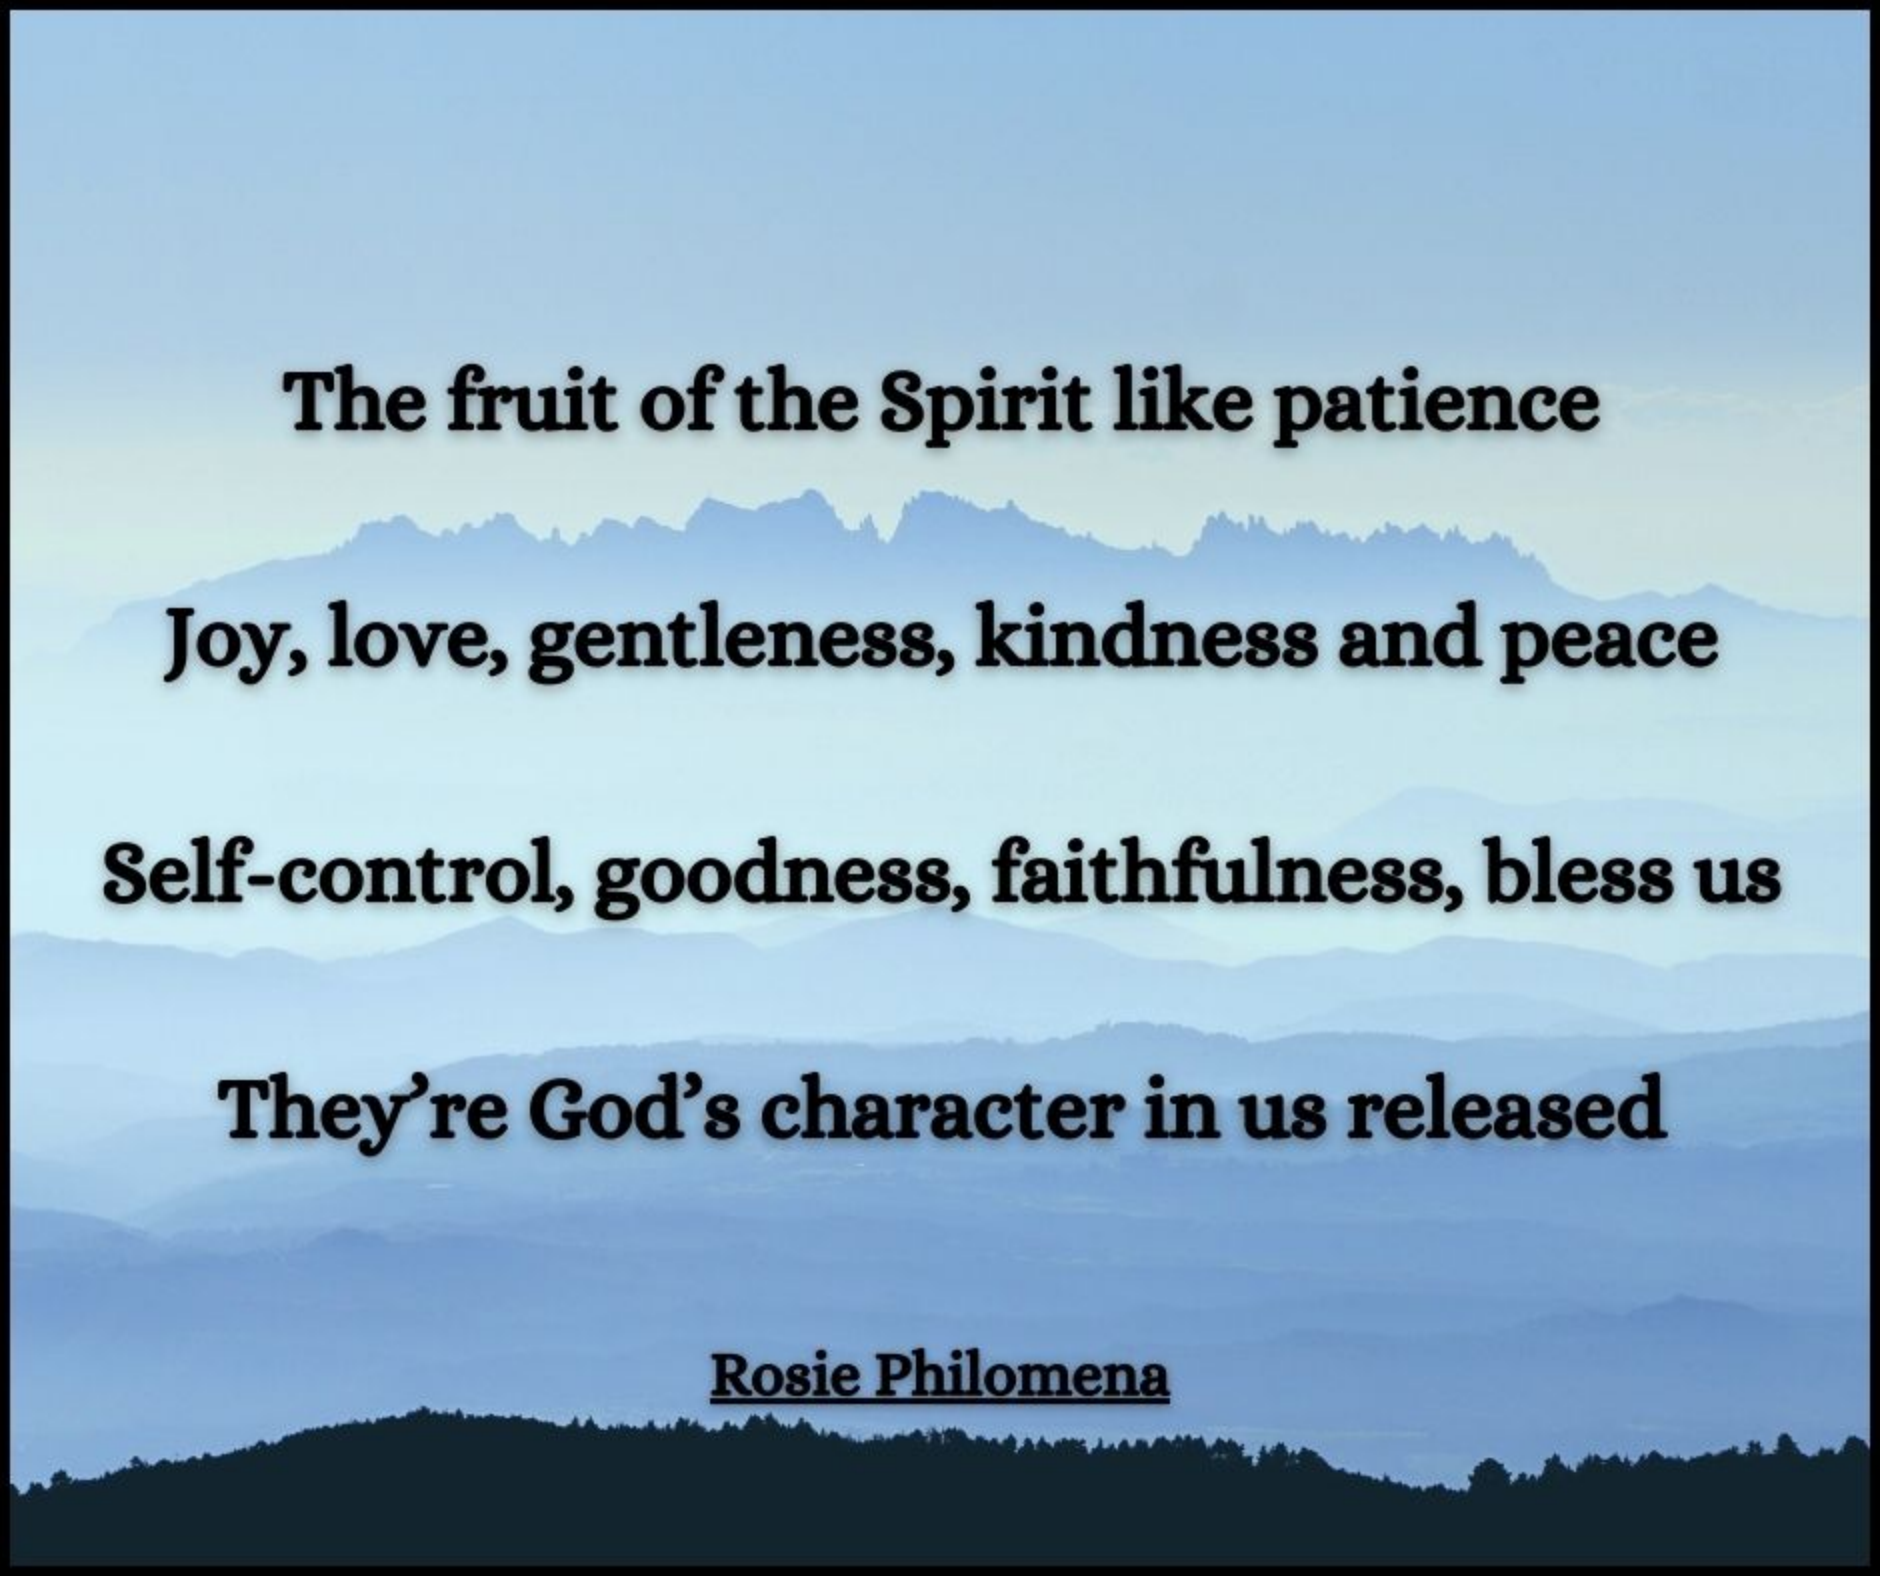

Holy Spirit is my true companion

He brings comfort and walks by my side

He'll convict me of sin and He guides me

In His presence I daily abide

The fruit of the Spirit like patience

Joy, love, gentleness, kindness and peace

Self-control, goodness, faithfulness, bless us

They're God's character in us released

Rosie Philomena

**And the gifts of the Spirit God sent us
To bless others, that's how we are led
Some by speaking in tongues to His people
Or interpreting what has been said**

Gifts of prophecy, healing and wisdom

Knowledge, faith and miraculous powers

The discerning of spirits God gives us

But the application must be ours

Rosie Philomena

We should use them to give God the glory

Such good things come from Him after all

So which spiritual gifts are you blessed with?

Are you ready to answer the call?
