

Morning prayers

A photograph of a bright sun rising over a dark, silhouetted landscape. The sun is positioned in the upper center, creating a strong lens flare effect that radiates across the frame. To the right, a church spire is visible against the horizon. The overall color palette is dominated by warm, golden-yellow tones from the sun and deep, dark browns and blacks from the silhouettes.

The background of the image is a landscape photograph. The sky is a deep blue at the top, transitioning through a lighter blue to a warm orange and yellow glow at the horizon. In the foreground, the silhouettes of several evergreen trees are visible against the bright horizon line. The overall mood is peaceful and contemplative.

I pray you have a peaceful day
Filled with blessings come what may

A serene sunset scene over a calm lake. In the foreground, a large, dark tree trunk and its branches frame the left side of the image. A wooden dock with railings extends into the water. The sun is a bright, glowing orb in the upper right sky, with its reflection shimmering on the water's surface. The sky transitions from a deep blue to a warm orange near the horizon. In the distance, silhouettes of trees and buildings are visible across the water.

*Don't let the stress of yesterday
Affect the peace of this new day*

Rosie Philomena

**Despite the stress
I'm feeling blessed**

**I MIGHT NOT FEEL SO CHEERFUL
WHEN I'VE TOSSED AND TURNED ALL NIGHT!
BUT GOD, I'M VERY GRATEFUL
WHEN I SEE THE MORNING LIGHT**

ROSIE PHILOMENA

As I awake
God, keep me safe

As we start this day anew

God, keep our families safe with you

I speak to you each morning
Just before I leave my bed
I ask for strength and guidance
As I face the day ahead

Rosie Philomena

This day is just beginning

I've a stressful day in store

So I'll put on my armour

Before my feet can touch the floor!

Ephesians 6:10-18

I'll trust and I'll see
Things are as they should be

Rosie Philomena

Hello world
I'm here to say
This will be
An awesome day

**Your mercies new each morning
And your kind and loving care
Bring strength, support and comfort
This I'm grateful for in prayer**

Lamentations 3:22-23

A close-up photograph of a ginger and white kitten sleeping peacefully. The kitten's eyes are closed, and its ears are perked up. It is resting its head on a dark, textured surface. The background is dark and out of focus.

Rosie Philomena

*Dear God, I'm really tired
And today I've lots to do
This morning's quite a challenge
Give me strength to see me through*

Thank you for this brand new day
And blessings that will come my way

Rosie Philomena

**I've such a busy morning
But I'll try to do my best
With all that I've been given
God, I know I'm richly blessed**

Rosie Philomena

*I sat outside this morning
And I spoke to God in prayer
I found Him far from distant
For I felt His presence there*

Rosie Philomena

Dear God, bestow your blessings
To the family I hold dear
They're really going through it
Let them know that you are near

Rosie Philomena

God, this morning please grant your protection

To our loved ones, wherever they go

Travelling mercies we pray for their journeys

May connections just seamlessly flow

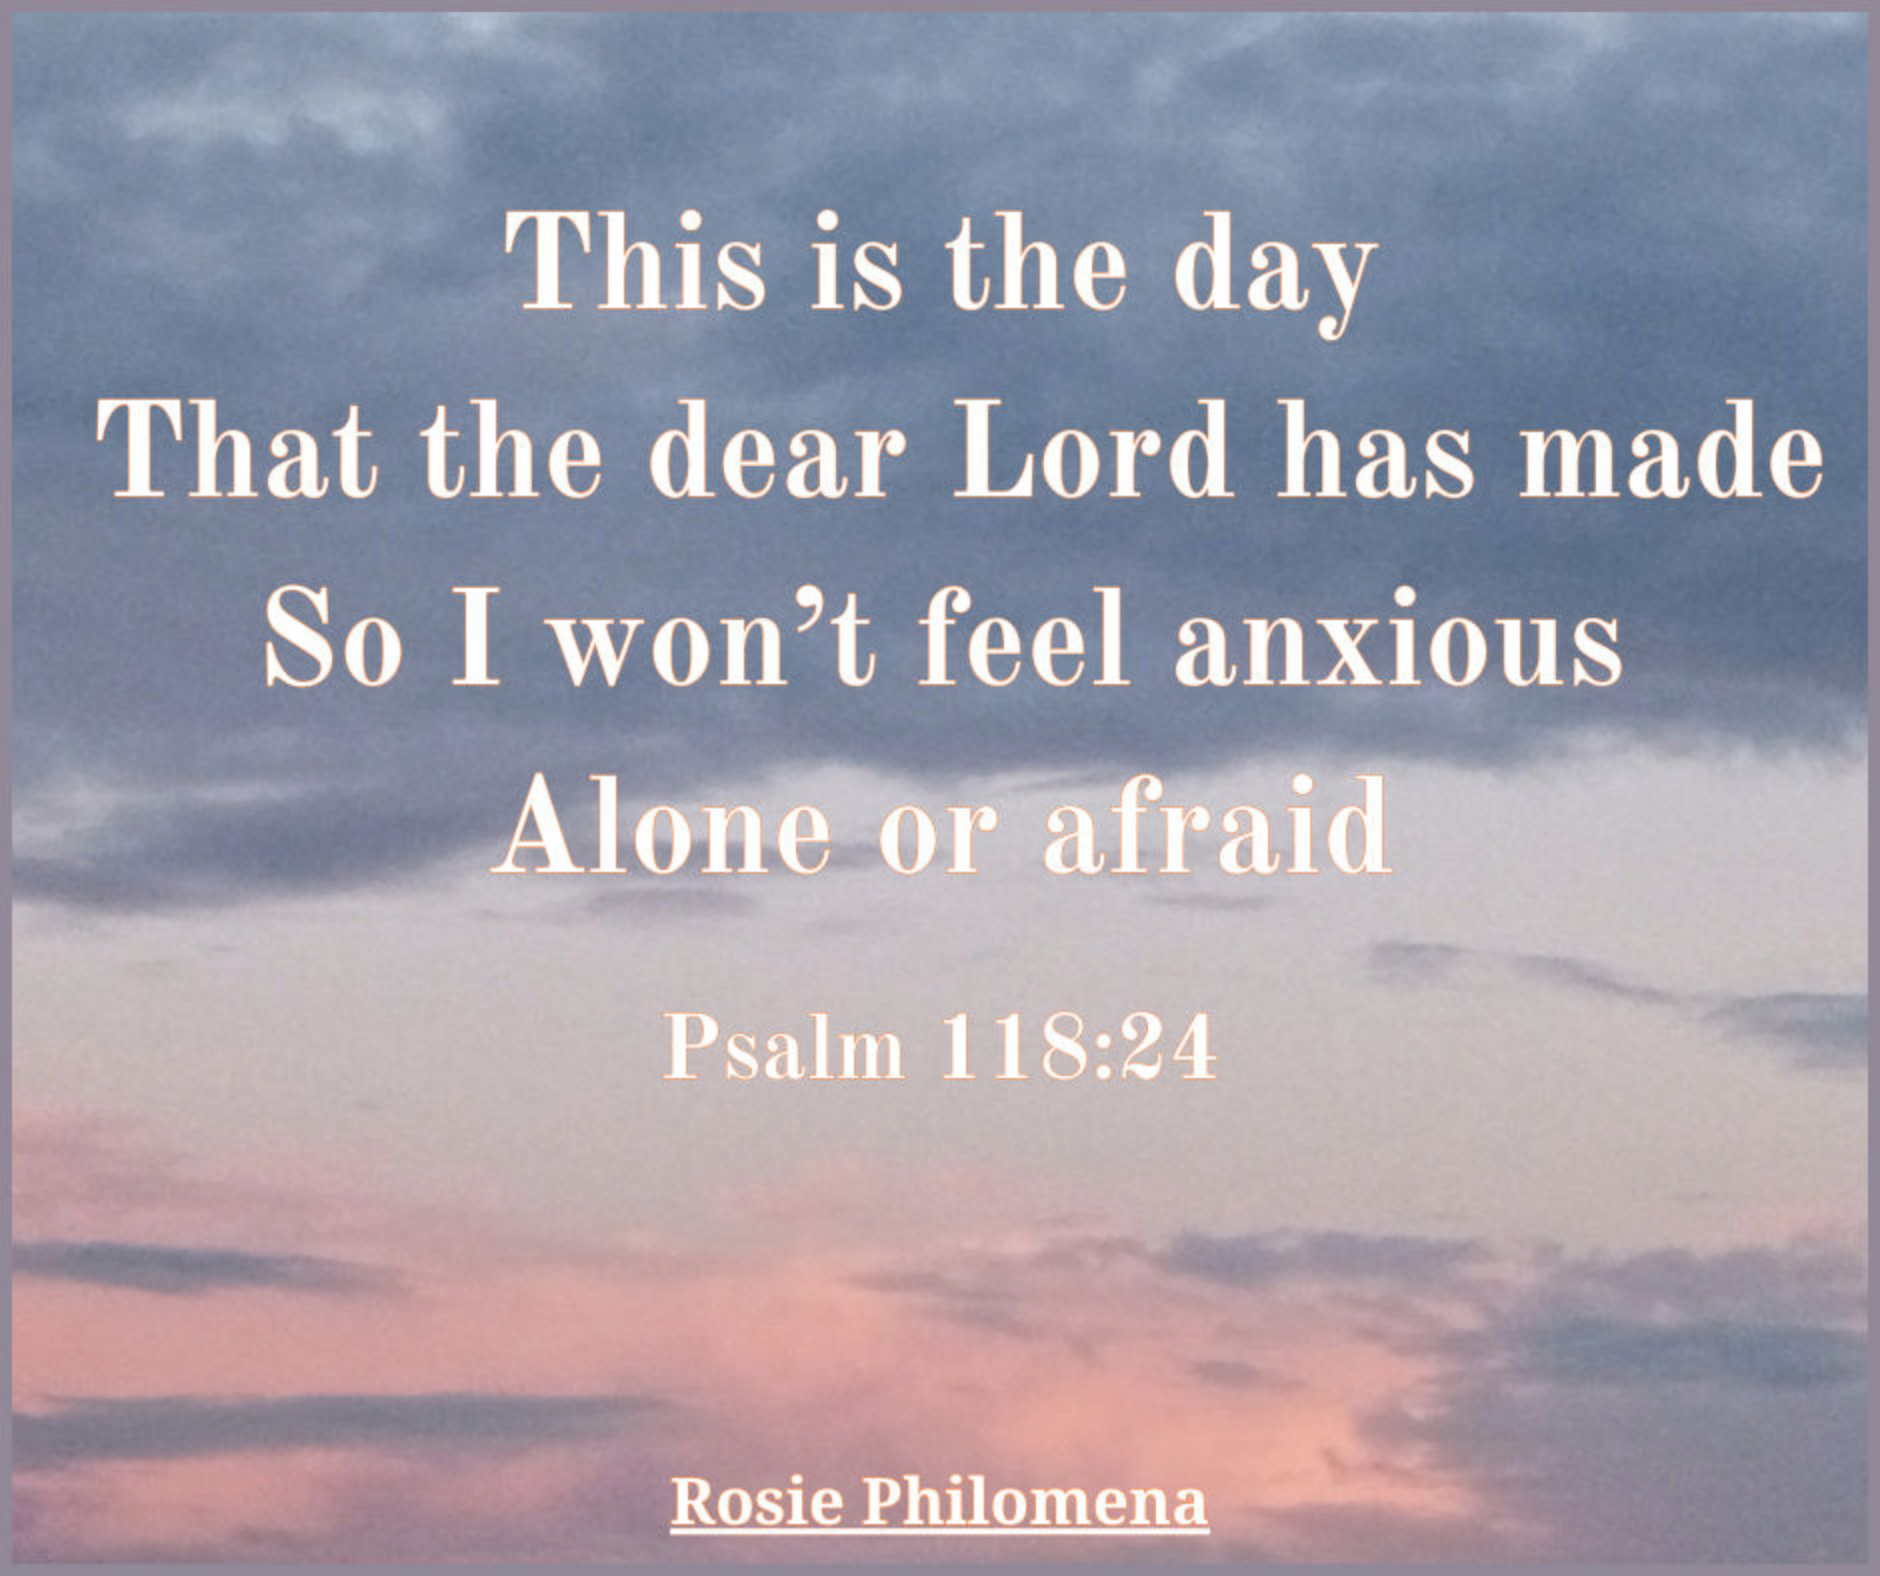

**Dear God, please bless our children
As they work and rest or play
And keep them safe from danger
As they go about their day**

Rosie Philomena

Rosie Philomena

**God, take our gifts and talents
Help us use them well today
To serve and bless another
Lead us to them, Lord I pray**

This is the day
That the dear Lord has made
So I won't feel anxious
Alone or afraid

Psalm 118:24

Morning prayers

A bright sun is rising in the center of the frame, creating a strong lens flare effect with multiple rays extending across the sky. The sky is a pale, hazy blue. Below the horizon, the landscape is dark and silhouetted. On the right side, a church spire is visible against the bright light of the sun. The overall mood is peaceful and hopeful.
