

Patience

**Wait for the Lord;
be strong take heart
and wait for the Lord.**

Psalms 27:14

Patience

First let's look at the meaning of patience

And see just what the dictionary says:

'It's 'the bearing of pain or annoyance

Not being stressed if an outcome's delayed'

Rosie Philomena

Patience

**'Being steadfast without opposition
Bearing trials calmly without complaint
Not becoming frustrated or angry
And at times, exercising restraint'**

Rosie Philomena

Patience

**Now it's something I really should work on
And for patience dear God I do pray
I'm impatient and like things completed
Either now, better still yesterday!**

Patience

But be careful when praying for patience

It involves quite some waiting around

So I've learnt to surrender the outcomes

And that's where inner peace can be found
