

A photograph of a stone wall with a flowering plant and reeds in the background. The wall is made of dark, rough-hewn stones. A plant with green leaves and many small purple flowers is growing out of a crack in the wall. To the left of the plant, some roots are hanging down. To the right, a thin, bare vine is climbing the wall. In the background, there are tall green reeds and a body of water.

**God tells us not to worry
About what we're going to eat
Or how we'll clothe our bodies
What we'll wear upon our feet**

My God will go before me

He'll protect with outstretched arm

Beside me and behind me

He will keep me safe from harm

**"Be still" God said "And trust me
And believe that I know best
I've got you, that I promise
Now relax and get some rest"**

*Be strong and be courageous
Never doubt or be dismayed
For God is walking with you
You don't have to be afraid*

Joshua 1:9

We can learn from the story of Esther

For the Bible leaves us in no doubt

There are times when we must remain silent

But there'll also be times to speak out

Esther 4:14

A photograph of a sun shining through the leaves of a large tree, with a view of a valley in the background. The sun is bright and creates a lens flare effect. The tree's leaves are green and dense. The valley in the background is hilly and green.

**Despite the stress
I'm feeling blessed**

Lord, I know that you catch every tear that I cry

You've recorded each one in your book

You're aware of the sorrow that I have endured

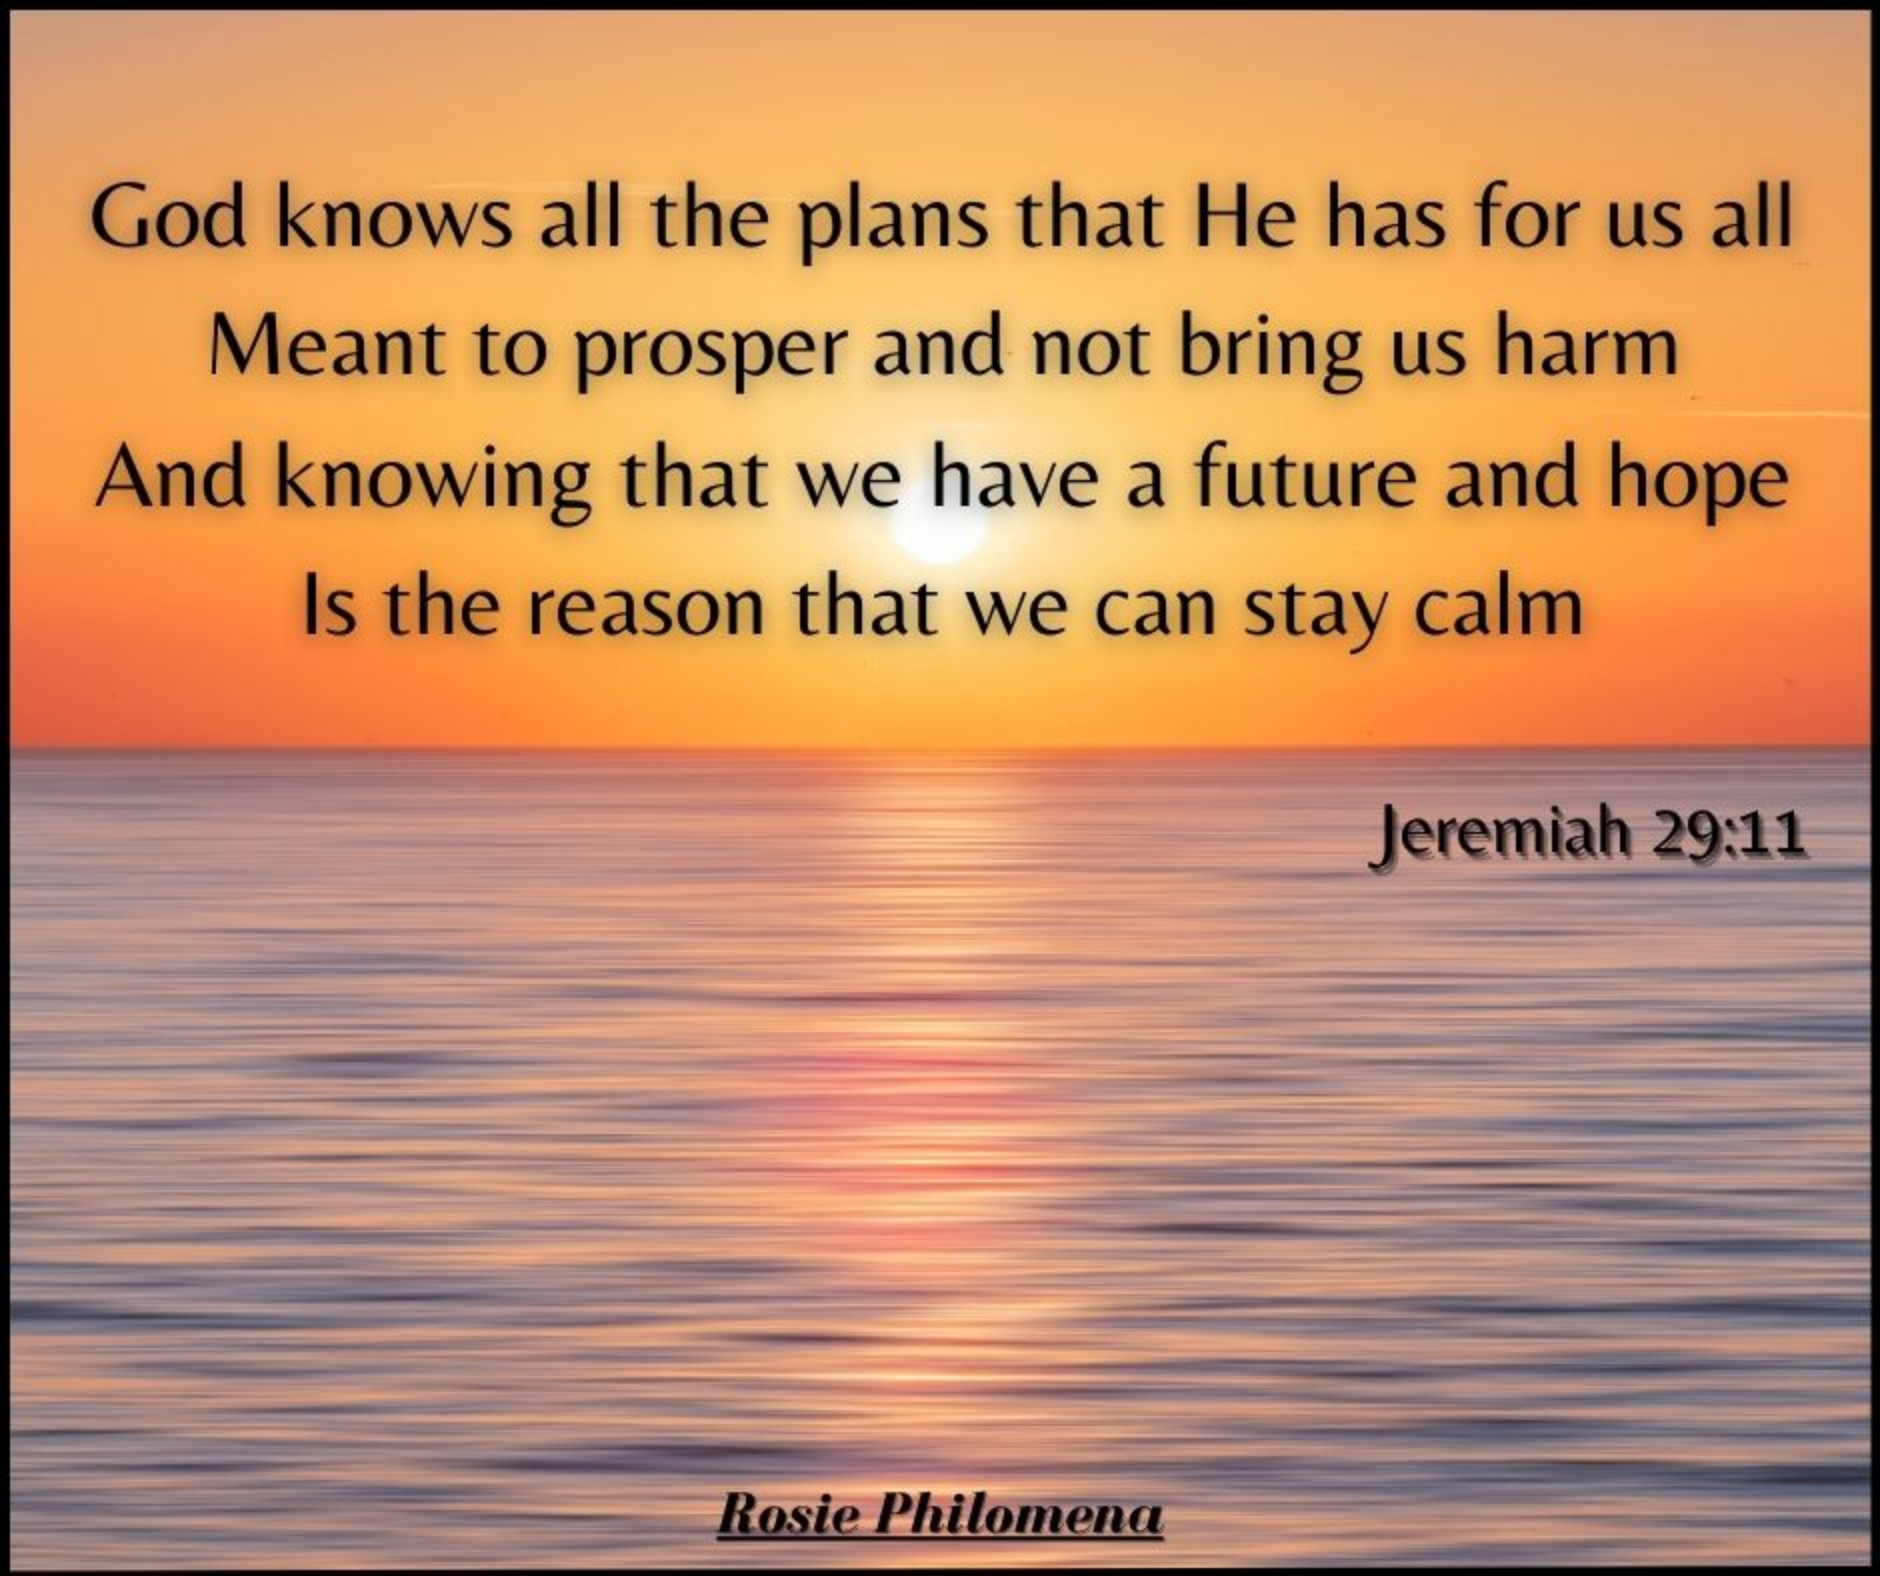

Not one teardrop have you overlooked

Psalm 56:8

The background of the image is a sunset over a body of water. The sun is a bright white circle in the center of the upper half, with its light reflecting as a vertical streak of orange and yellow on the water's surface. The sky transitions from a pale yellow at the horizon to a deeper orange at the top. The water is dark blue with horizontal ripples. The entire image is framed by a thin black border.

God knows all the plans that He has for us all
Meant to prosper and not bring us harm
And knowing that we have a future and hope
Is the reason that we can stay calm

In the seventh verse of Matthew's Gospel, it says
That the wide gate will lead to destruction
But the way through the narrow gate leads us to life
If we're following Jesus' instructions

Dear God, I want to thank you

For the life you've given me

I'm blessed beyond all measure

And I'm right where I should be

I don't need what the world gives
It's just temporary that's for sure
I'm looking far beyond that
When my life on earth's no more

I don't need fame and fortune
Or a glittering career
"You good and faithful servant"
Are the words I want to hear

**Now God sees not as we see
So we must be set apart
Seems man looks on the outside
But the Lord observes the heart
Samuel 16:7**

God made us all wonderfully different

And no two of us ever the same

We've been blessed with our gifts and our talents

And we're all running in our own lane

*I hope you have a good day
I will cover you in prayer
But if you face great trials
Know that God will meet you there*

I AM WALKING BY FAITH AT THE MOMENT
FOR IT CERTAINLY ISN'T BY SIGHT!

THERE ARE MOUNTAINS TO CLIMB IN THIS SEASON
BUT I TRUST THINGS WILL TURN OUT JUST RIGHT

You're the God of surprises and blessings
We don't quite understand how you work
But we trust that you care for us deeply
And bring comfort to us when we're hurt

A photograph of a stone path leading through a stream in a lush green forest. The path is made of large, flat stones and leads from the foreground into the distance. The water is clear and flows over the stones, creating small ripples. The surrounding vegetation is dense and green, with ferns and other plants visible on the banks. The overall scene is peaceful and serene.

He leads me by still waters
In green pastures I find rest
He guides me on the right path
Where my soul can be refreshed

Psalm 23:2-3

A warm, cozy bedroom scene. A bed with white linens and a dark headboard is visible. A lamp with a warm, yellow glow sits on a bedside table to the left. The text is overlaid on a semi-transparent grey box in the center.

**Appreciate the small things
Like a warm and cosy bed
Food within your cupboards
And a roof over your head**
