Rosie Philomena

Volume 2

Just because what you want hasn't happened

Doesn't mean that it's not on its way

You just might have to learn a few lessons

For this reason, it's being delayed

The background of the image is a field of tall, dry, brown grass. In the lower center, there is a small, vibrant cluster of yellow flowers, possibly buttercups, which stand out against the dry grass. The text is overlaid on a semi-transparent, light brown rectangular box in the upper half of the image.

**So bloom where you are planted
Make the best of where you are
It might be far from perfect
But God's kept you safe so far**

Rosie Philomena

Purpose

We all have a reason to be here
It's no accident or a mistake
And each one of us has our own story
And the best of this life we should make

Rosie Philomena

A photograph of a person's hands writing in a lined notebook. The notebook is open, showing two pages. The left page has a brown cross sticker at the top. The right page has a white pencil. The person is wearing a dark blue long-sleeved shirt. The background is a light-colored, textured surface.

Some years later I'd use what I'd been through

And I'd share in my books how I feel

In the hope that it helps just one person

To know God's always near and He's real

Rosie Philomena

I guard the peace I found within
It's been a worthwhile quest
This life is so worth living
And I'm ready for what's next

Rosie Philomena

**Lord, When I've done all I can do
Please keep my family safe with you**

Rosie Philomena

I pray in this life
You have more peace than strife

Rosie Philomena

Another sign from heaven
That's a comfort I must say
A little robin redbreast
Means that everything's ok

*In Christ, a new creation
Even though I've gone astray
I've hope now for the future
Since the old has passed away*

2 Corinthians 5:17

How precious are your thoughts to me

Oh God, how vast the sum

They number more than grains of sand

Such love will run and run

ROSIE PHILOMENA

Though life can be a challenge

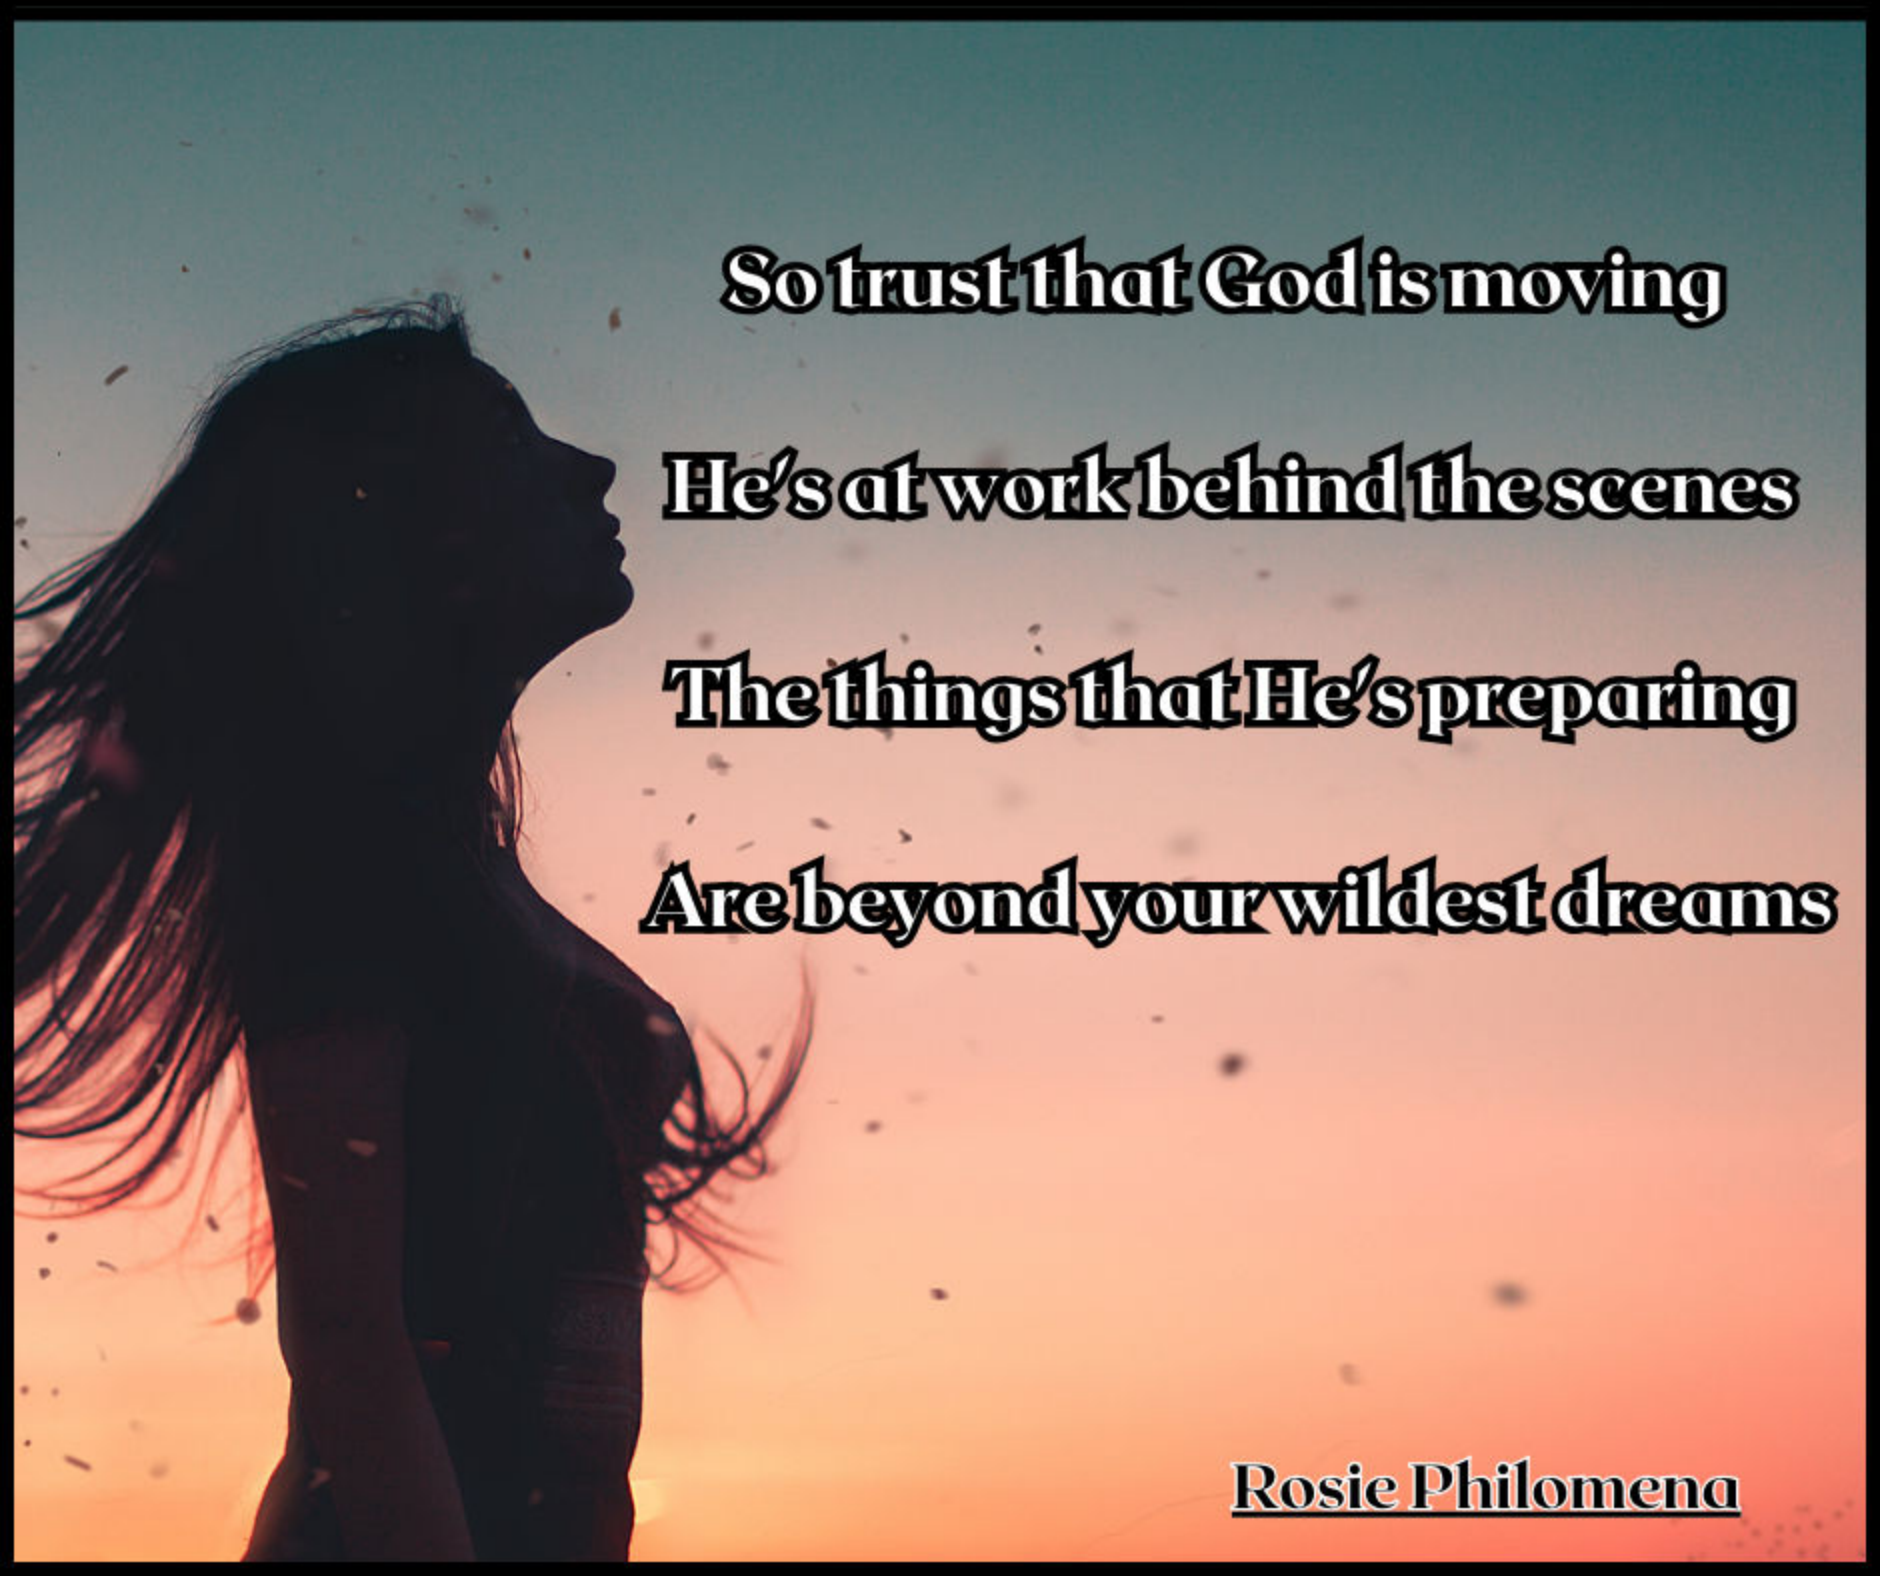

Trust that God will see you through

He changed my life completely

Watch Him do the same for you

Rosie Philomena

A silhouette of a woman with long hair, looking upwards against a warm, orange-hued sky, possibly at sunset or sunrise. The text is overlaid on the right side of the image.

**So trust that God is moving
He's at work behind the scenes
The things that He's preparing
Are beyond your wildest dreams**

Rosie Philomena

Whatever's just and honest
Kind, authentic, gracious, true
What's excellent, praiseworthy
We should think of these things too

Phillipians 4 tells us

If we meditate on these

It helps when we're discouraged

And can put our minds at ease

Rosie Philomena

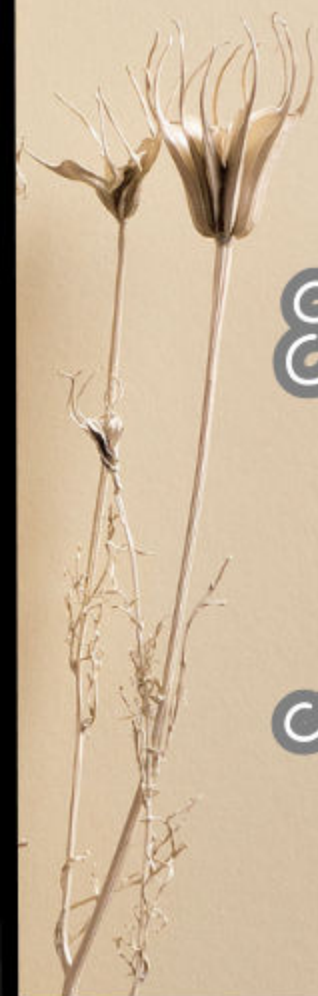

God has made me realise

I'm enough just being me

He loves me with a perfect love

And for now that's all I need

Rosie Philomena

*For everything there is a season
And a time that things are done
You can't rush or try to stop it
It will come when it will come*

Ecclesiastes 3:1-8

A close-up photograph of a branch with several pink cherry blossoms. The flowers are in various stages of bloom, with some showing yellow stamens. The background is a soft, out-of-focus white.

Rosie Philomena

**So right before the blessing
You might feel you've had enough
That's when you're close to favour
Just keep going don't give up**

Trust in the Lord then with all of your heart

And don't lean on your own understanding

Acknowledge Him daily in all of your ways

So the path you walk is less demanding

Rosie Philomena

*Worship's not just singing
Dancing, raising up your hands
It can be writing poems
This I came to understand*

We're moulded by the Potter
From a simple lump of clay
And in His hands been crafted
Each in our own unique way
