**I pray the morning offering
Here's the kind of thing I say
My thoughts, my words and actions
God I give to you today**

**IN EVERY SITUATION
I HAVE LEARNT TO BE CONTENT
AND TRUST GOD HAS ME COVERED
THROUGH LIFE'S CHALLENGING EVENTS**

PHILIPPIANS 4:11-13

A serene pond scene featuring a vibrant pink lotus flower in full bloom at the bottom center. The flower has numerous delicate petals and a bright yellow center. It is surrounded by large, dark green lily pads with prominent veins. The water is a deep, calm blue-grey. The text is overlaid on the upper half of the image in a white, serif font with a thin black outline.

I've never been more certain
That my strength comes from the Lord
And with this as my focus
That's enough of a reward

Our faith is often tested
As we're struggling to cope
But fix your eyes on Jesus
He's our beacon of great hope

Rosie
Philomena

*God's our hope
So we can cope
With stress and strife
That's part of life!*

A desert landscape at sunset. The sky is a warm orange and yellow, with the sun low on the horizon. In the foreground, there is a small, still pool of water reflecting the sky. The ground is rocky and uneven, with some sparse vegetation. The overall mood is serene and hopeful.

**“I’m going to do a new thing
One you haven’t seen before
So be prepared and trust me
Wait to see what I’ve in store.”**

Isaiah 43:19

***“I will make a way
in the wilderness and
rivers in the desert..”***

**Against the odds keep trusting
God will see that we're ok
He hears when we petition
And He listens when we pray**

**Witness through your actions
So that others may be saved
The mission field is waiting
Now get out there and be brave**

Rosie Philomena

Dear friends, please test the spirits

Do they line up with God's Word?

False prophets can deceive us

Question everything you heard

Rosie Philomena

Don't take them at face value

By their fruits they'll be revealed

Be sure their words and actions

Will betray what's being concealed

Matthew 7:15-16

Rosie Philomena

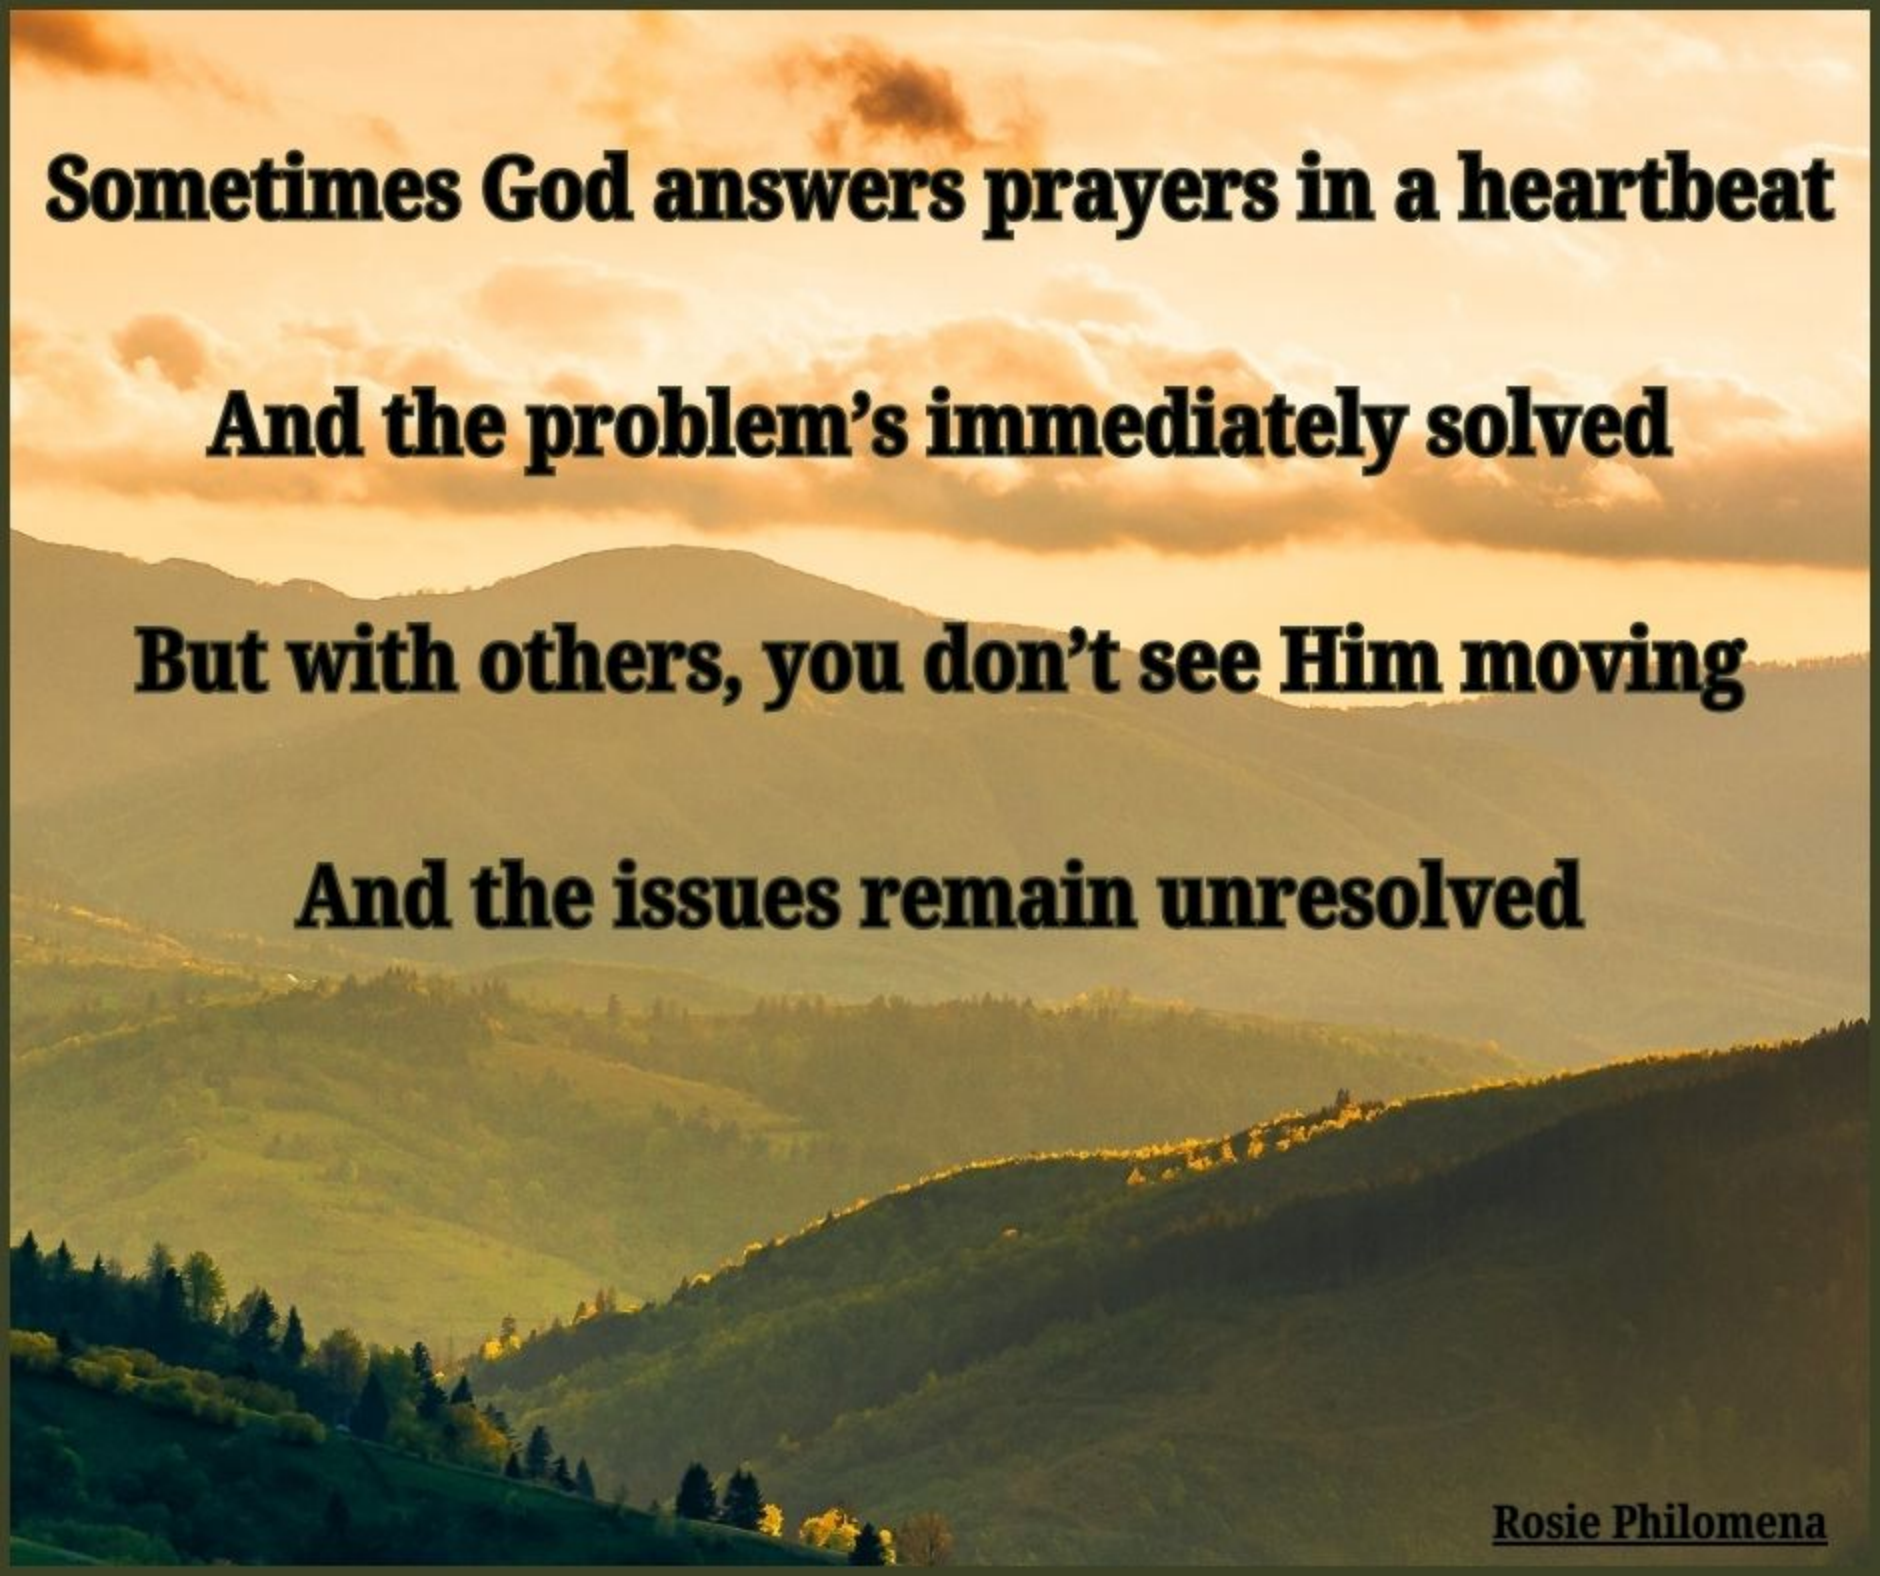

**Don't settle for the counterfeit
They're sent to cause delay
In meeting those meant for you
Those God's going to send your way**

Rosie Philomena

Our lives are far from boring
Never knowing what comes next
A gift, perhaps a blessing
Trials, a challenge or a test!

Rosie Philomena

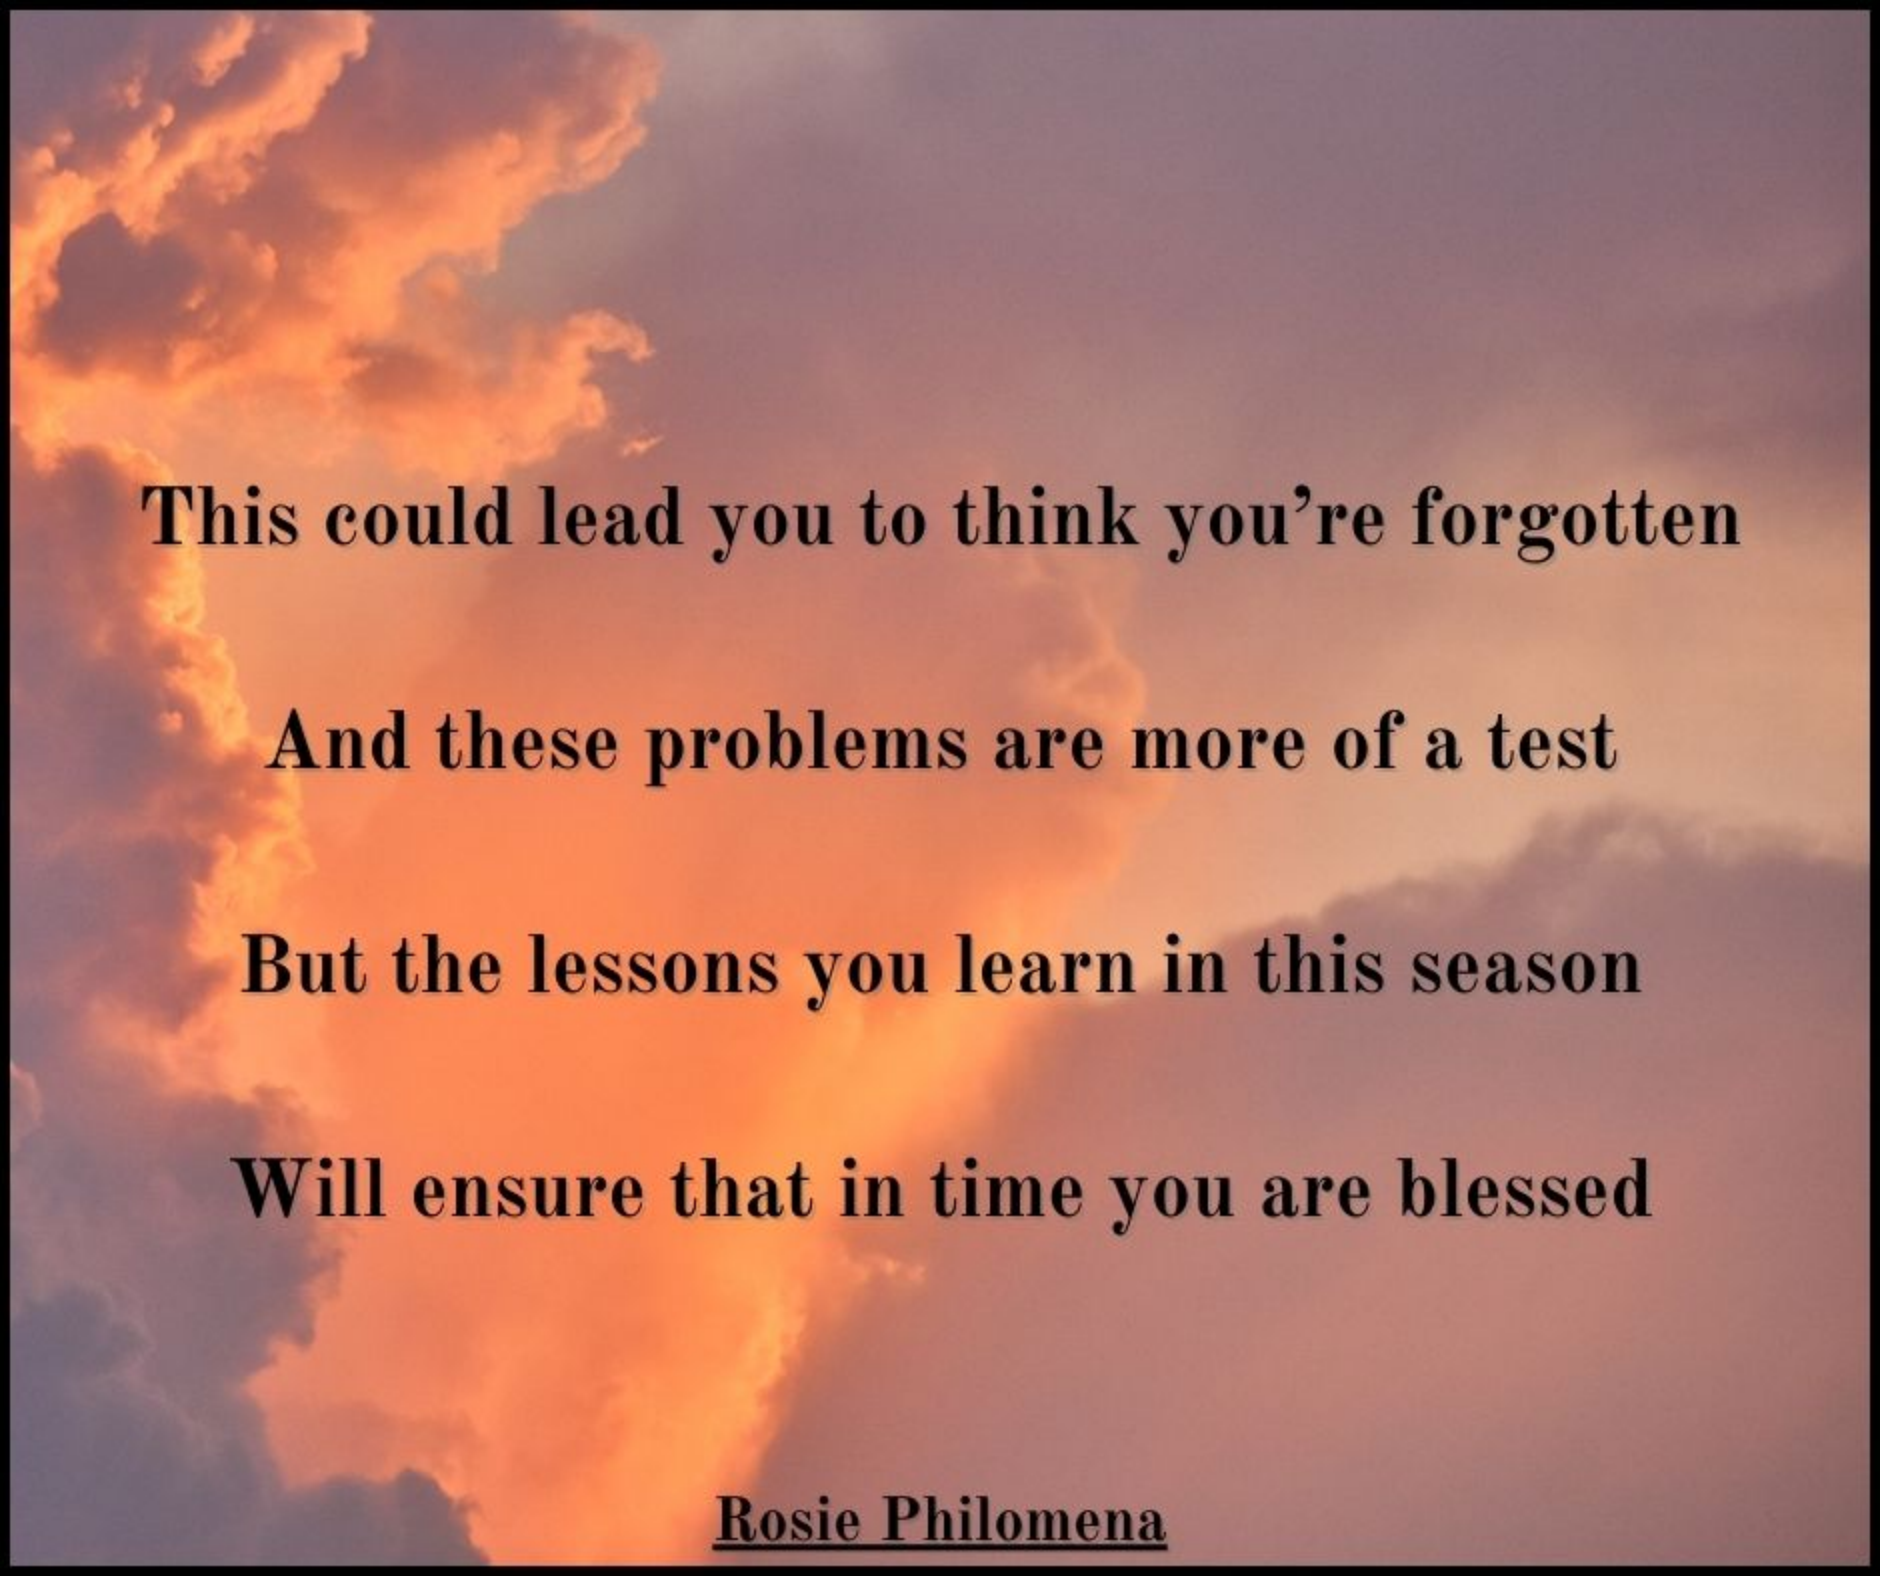

Sometimes God answers prayers in a heartbeat

And the problem's immediately solved

But with others, you don't see Him moving

And the issues remain unresolved

This could lead you to think you're forgotten

And these problems are more of a test

But the lessons you learn in this season

Will ensure that in time you are blessed

Rosie Philomena

**God treat me as with silver
And refine me in the fire
Then with purification
I can be as you desired**

Rosie Philomena

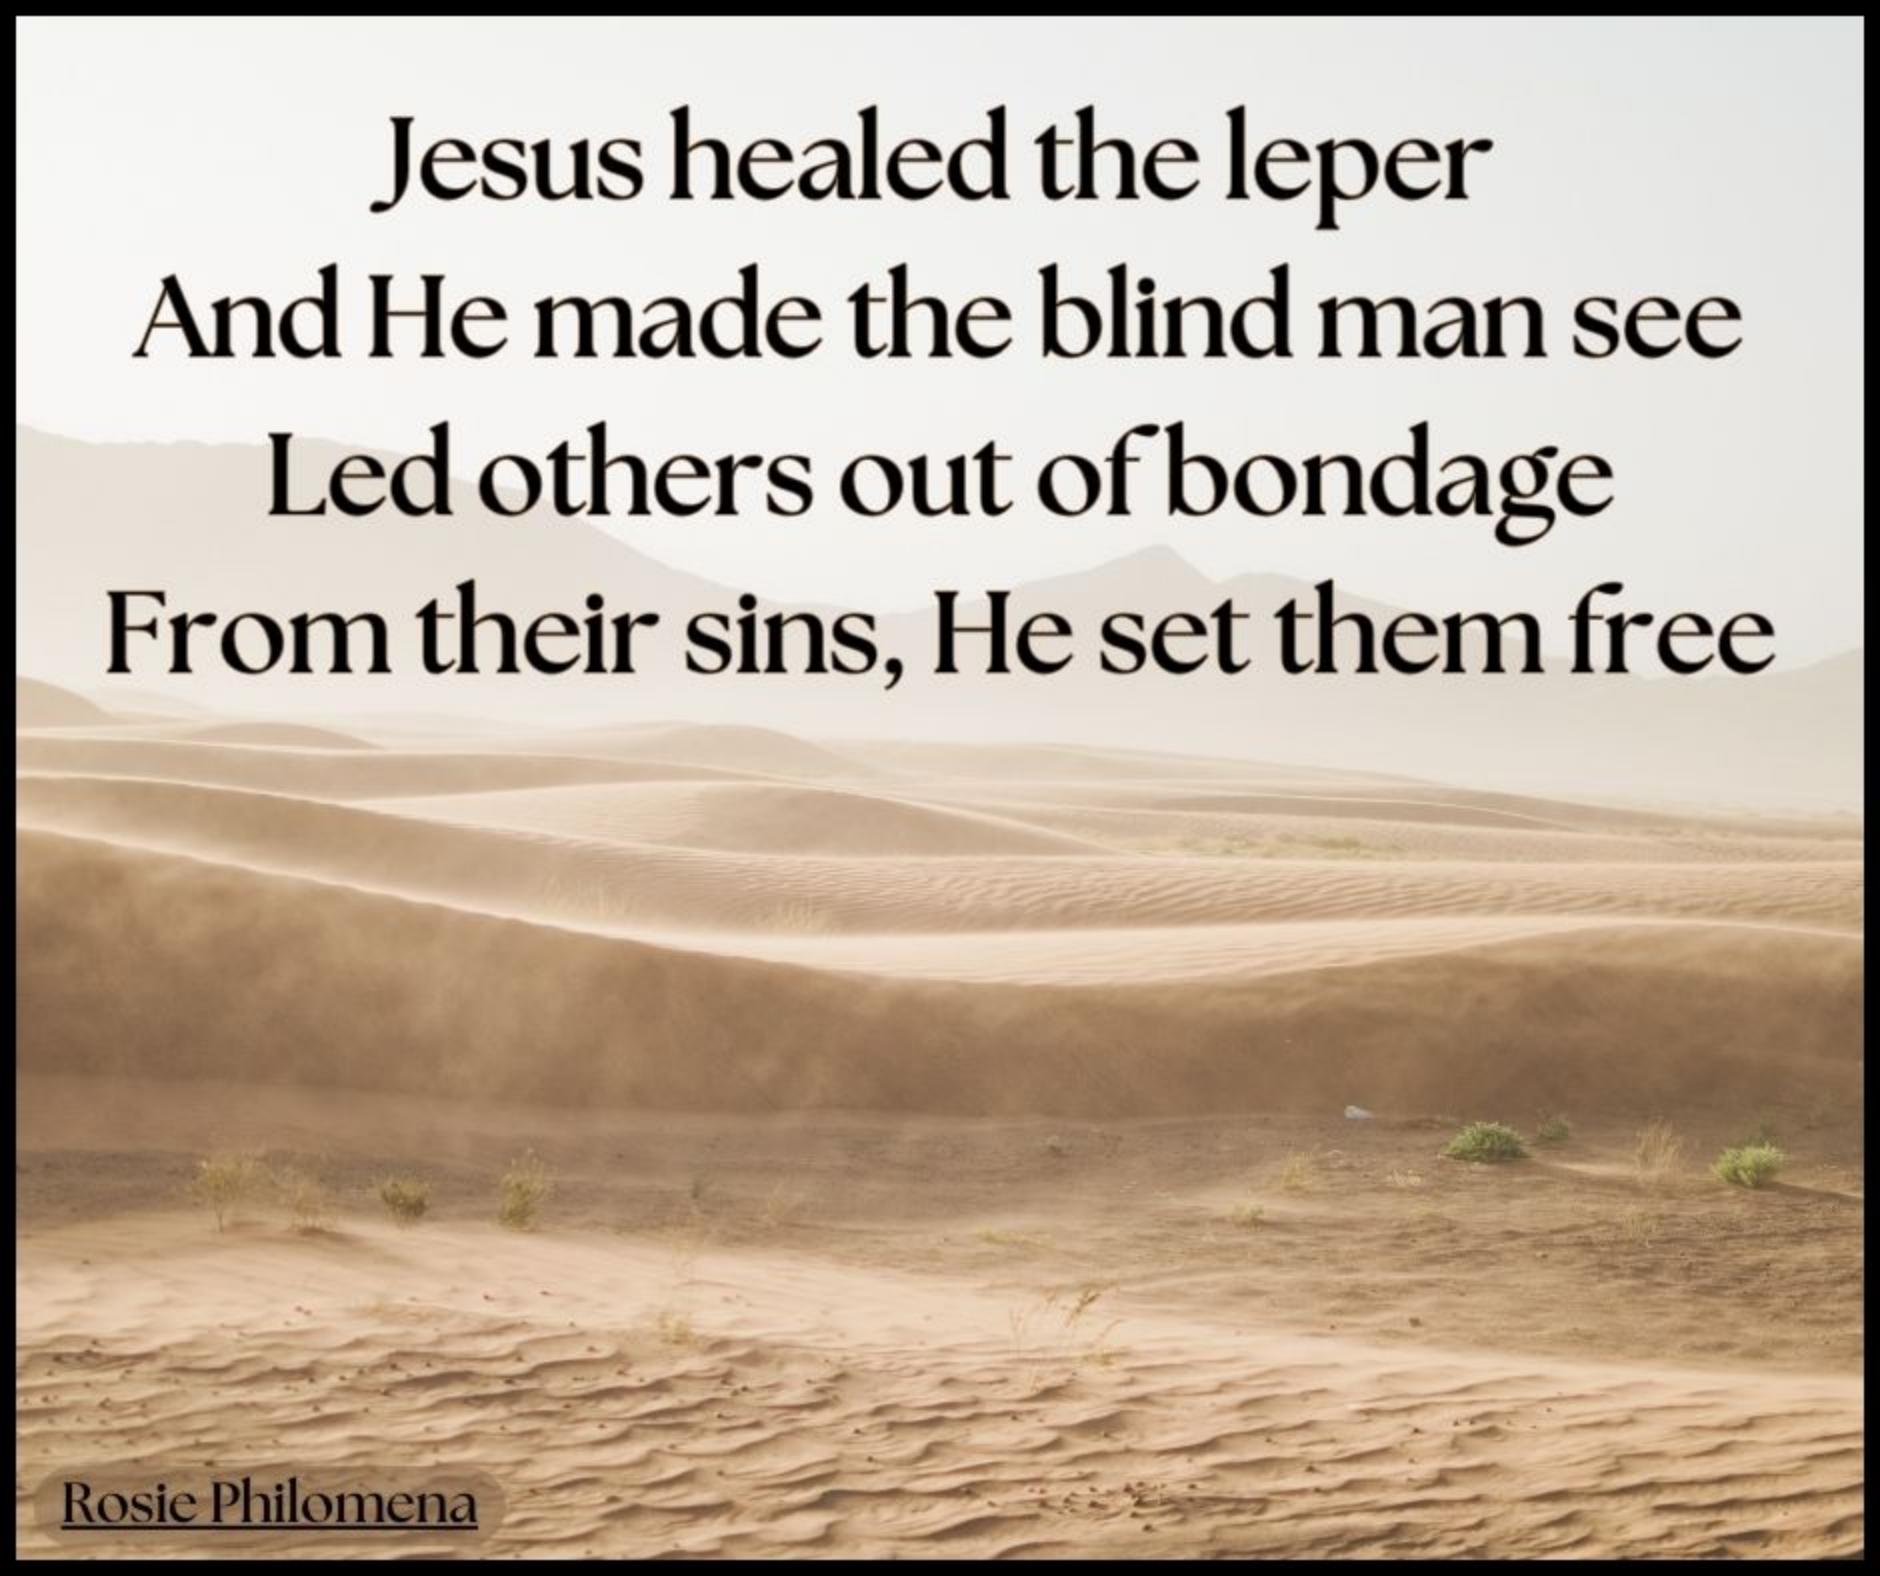

Before we even ask Him

God's already worked things out

Have faith, His timing's perfect

And lay down your fears and doubts

Ecclesiastes 3:11

The background of the image is a photograph of a desert landscape. It features rolling sand dunes in the foreground and middle ground, with some sparse, low-lying green and brown shrubs scattered across the sand. In the far distance, there are faint, hazy outlines of mountains or hills. The sky is a pale, clear blue. The overall lighting is soft, suggesting a bright but slightly hazy day.

Jesus healed the leper
And He made the blind man see
Led others out of bondage
From their sins, He set them free

**No structured prayer this evening
That's not how it's going to be
It's more a conversation
Just between Jesus and me**

I'm still expecting blessings

Earthly eyes cannot explain

God's favour is upon me

For His grace can't be contained
