

The Trinity

Rosie Philomena

The Trinity's a comfort

Blessed Godhead, three in one

The Father, Son and Spirit

Give us strength to overcome

Rosie Philomena

The challenges we're facing

Each and every single day

They show love and compassion

And support in different ways

Rosie Philomena

Now God, like a good father
Helps us out when we're in need
And Jesus' example
How to act in word and deed

Rosie Philomena

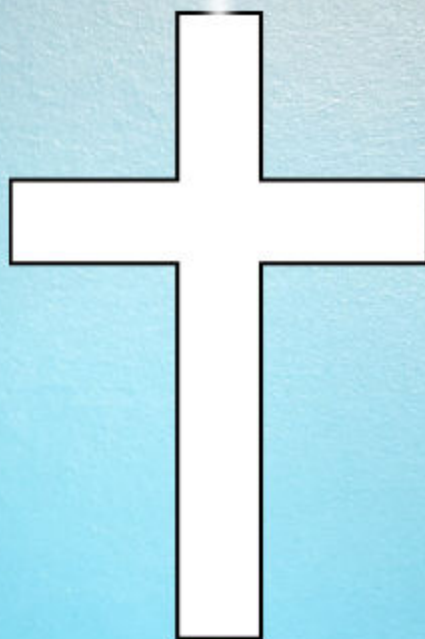

**The Holy Spirit guides us
In the way that we should go
Oh! What a trifold blessing
Of such love on us bestowed**
